

Unión de palabras partidas

propie-
dades → **propiedades**

A diagram illustrating the union of split words. On the left, the words 'propie-' and 'dades' are stacked vertically. Two brown curved lines originate from the right side of 'propie-' and the right side of 'dades', converging towards a central point. From this point, a straight blue arrow points to the right, ending at the word 'propiedades'.

3.000 pe-
setas, → **3.000 pesetas,**

A diagram illustrating the union of split words. On the left, the words '3.000 pe-' and 'setas,' are stacked vertically. Two brown curved lines originate from the right side of '3.000 pe-' and the right side of 'setas,', converging towards a central point. From this point, a straight blue arrow points to the right, ending at the word '3.000 pesetas,'.

Filtrado de ruido

Am. → Línea descartada

A diagram illustrating the filtering of noise. On the left, the word 'Am.' is followed by a long horizontal brown line. A straight brown arrow points from the end of this line to the right, ending at the text 'Línea descartada'.
